Fausto Carlos Calviño Severin

Full-Stack Web Developer

📇 Personal Information

Web developer with 3 years of experience in React and Next.js. Self-taught since 2021, with solid knowledge of HTML, CSS, and JavaScript, currently expanding skills in Node.js and databases. My goal is to join a dynamic development team where I can continue to strengthen both my technical and soft skills. Available for remote or hybrid job opportunities in Madrid.

🏢 Experience

Self-taught Learning   July 2021 – Present

Since July 2021, I have immersed myself in web development, exploring both backend and frontend. This time has been crucial for my growth, allowing me to improve and learn about various technologies and tools. You can find more details about my experience and knowledge on my LinkedIn profile, where you can also see my certifications and achievements.

May 2022 – June 2023

WordPress Developer

With one year of experience in creating self-manageable websites on WordPress, I have developed various projects, ranging from landing pages and online stores with WooCommerce to news portals.
